Rutherford Tenants Corp and James Ramadei
21 CIV10383(JHR) (OTW)

Dear Judge Wang,

We represent the Defendants. This letter is being submitted pursuant to your rules requiring Court approval for sealing of certain documents submitted to the Court.

The Government has no objection to this application.

In connection with the Defendants' *motion in limine*, we served Your Honor by email on March 15, 2023 but did not electronically file due to confidential information in exhibits which pertain to certain residents of the Rutherford Tenants Corp. The exhibits contain sensitive personal information about one of the residents and the FICO scores for twelve of the residents, which are identified by their apartments in the building. Those exhibits are now on docket (DKT49).

This information does not impact the Government's case and should not be open to public inspection. We respectfully request that the aforementioned exhibits be removed from the docket or placed under seal.

Respectfully,

By /s/ Peter Livingston
